To: The Hon. Adlai S. Hardin Jr.

From: Spiro Millianessis

Case # 08-22504-ash.

Your Honor please excuse the unorthodox manner in which you receive this. I understand I am Surrendering my Home at 60 Grant St. Staatsburg NY 10974.

I do need some time before I can do this. I was hoping till the end of the 2009 year

## ~~Reason~~ Reasons

1. Most Important my Son Christopher is a senior in Suffern H.S. and this would be very difficult in such a critical year of his Academic Future.

2. I sell cars for a living and the economy is so bad + sales are down 50-60% and my estimate is it will take this long to save the money.

3. My wife is considering divorcing me. over this it has put such a strain on my marriage. which we invested 2 yrs.

I plead with you to please give me this time for my wife and Son.

Again please excuse the manner in which you receive this and Please I plead donot make us Homeless

Sincerely  
  
Spiro Millianessis.
